

# Coast Water Conditioning & Plumbing (Coast Water) Maintenance Agreement

This maintenance agreement covers parts and labor on your water treatment system. Periodic service is necessary to provide you with the highest quality water you deserve. The cost of the agreement will be billed annually, at a price of \_\_\_\_\_. The amount must be paid within the month billed to keep this agreement valid. All maintenance will be performed on a scheduled route basis; this is what keeps the cost down for you, the consumer. Please select the month in which you wish to be billed for the maintenance agreement. \_\_\_\_\_

***Billing is for the agreement; service will be performed on a \_\_\_\_\_ basis when you, the customer, call. This will be done when we are in the area.***

I agree to pay the amount of the maintenance agreement annually within the month billed, to keep the maintenance agreement in good standing. I also agree that Coast Water is the only company to service said equipment.
